

All-in-One Smart Connection for Your Campus

Bus tracking, ERP, auto mark system, camera access and canteen tokens.
One platform for management, teachers, students and parents.

Our Services

Bus Location Tracker

Live GPS tracking of every school bus with parent arrival alerts.

ERP

Admissions, fees, attendance, timetable and records in one place.

Auto Mark System

On-screen paper valuation with automatic totals and no errors.

Camera Access

Watch campus cameras securely from your phone or computer.

Canteen Auto Token

Cashless token system that avoids queues and cash handling.

Custom Modules

Tell us your priority and we design it for your campus.

Why Choose Us

- Fully connected: ERP, bus and valuation share the same data
- Secure: role-based access and safe data storage
- Mobile friendly: works on phones, tablets and computers
- Local support: quick help from our team whenever you need it
